MURRAY

I.T. Health Check Assessment

Is your Computer Network Healthy, Productive & Secure?

Step 1.

Complete a self check assessment via paper or online. Please contact Murray Computers via phone or email for Online Link: enquiries@murraycomputers.com.au

Step 2.

Submit your *Self Assessment* to **Murray Computers** & one of our local technicians will analyse the health & security of your I.T. Systems. Including:

V

Virus Protection Review

🏏 Da

Data & File Storage

V

Print / Copying Performance Check Up

V

IT Security Assessment

- Catalog of Devices
- V

Backup & Recovery Plan

Step 3.

Murray Computers will Contact you to discuss the findings and make practical suggestions for consideration. A comprehensive report can be supplied if required (Fee may apply)

We make I.T. easy!

29 Mary Tce, Murray Bridge SA 5253

Ph: 8532 5577
